MARINA STUDIES END

TWELVE months of environmental studies for the proposed Port Rockingham Marina have ended and a Public Environmental Review document is now available for people to comment on for the next six weeks until May 17.

The Environmental Protection Authority is inviting people to make a submission electronically by using the website at www.epa.wa.gov.au/submissions.asp.

Alternatively contributors can email submissions.eia@dec.wa.gov.au or write to the Chairman of the Environmental Protection Authority, Locked Bag 33, Cloisters Square, Perth, WA 6850.

Public meetings will be held on the proposal at The Cruising Yacht Club on Sunday, May 3 at 10am, and on Tuesday May 5, at 6pm.
