## Marina opinion call

THE Public Environmental Review report for the proposed Port Rockingham Marina is available for comment, with submissions due by May 17.

Rosewood Grove Pty Ltd has proposed to develop a predominantly offshore 500-boat marina in the southern portion of Cockburn Sound, adjacent to the intersection of Wanliss Street and Rockingham Beach Road, Rockingham.

Prepared by the company and its environmental consultant RPS, the PER describes the proposal, examines the likely environmental effects and the proposed environmental management procedures associated with the proposed development.

Copies of the PER are available from [www.portrockingham.com.au](http://www.portrockingham.com.au)

Public meetings to explain the PER process and findings of the review are scheduled for May 3 at 10am and May 5 at 6pm at The Cruising Yacht Club.
